

PHI PHI ISLAND IS OPEN TO VISITORS !

After a massive effort by the local Thai community and over 2000 foreign volunteers, Koh Phi Phi has risen from the waves of Dec 26th 2004.

There has never been a better time to visit this community, which is struggling to survive a 90% drop in tourism in the last 6 months.

Koh Phi phi is a paradise rediscovered. We invite you to come and be a part of that discovery. Enjoy sparkling beaches, amazing diving, rock climbing, snorkelling, beach parties, fire shows, great food and much more.

You can also volunteer, and experience an incredible sense of community and hope. Help Phi Phi by visiting now!
